

## Carl Esposito Joins Shyft Group's Board of Directors

March 14, 2022

### Esposito Brings Strong Innovation and Electronics Solutions Business Expertise

NOVI, Mich., March 14, 2022 (GLOBE NEWSWIRE) -- The Shyft Group, Inc. (NASDAQ: SHYF), the North American leader in specialty vehicle manufacturing, assembly and upfit for the commercial, retail, and service specialty vehicle markets, today announced that Carl Esposito has been appointed to the Company's Board of Directors, effective March 14, 2022. In addition, Ronald Harbour, 65, a member of the Shyft Board of Directors since 2009, will retire from the board effective as of the Company's annual meeting of shareholders in May 2022.

Esposito, 54, brings decades of experience in leading strategic product innovation and global business lines in aerospace and automotive. He is currently Senior Vice President and President of the E-Systems business for Lear Corporation, a global automotive technology leader in Seating and E-Systems, roles he has held since 2019.

Prior to joining Lear in 2019, Esposito enjoyed a 30-year career at Honeywell that culminated with his role as President of the Electronic Solutions Strategic Business Unit for Honeywell Aerospace, overseeing strategy, product development, and sales. Prior to that he was Vice President of Marketing and Product Management. At Honeywell, Esposito held various positions in the United States and Europe, including in global sales and marketing, product management and strategy, program management, and engineering.

"We welcome Carl to the Shyft Group's Board of Directors and look forward to his contributions," said James Sharman, Chair of the Board. "Carl's longstanding business leadership in both innovation and electronics makes him a valuable addition to our Board as Shyft continues to invest in R&D, particularly in electrification, to grow and add value for our shareholders."

"I am pleased to join The Shyft Group during this exciting time of growth overall and, in particular, while Shyft is entering the electric vehicle space," said Esposito. "I look forward to playing a proactive role in the Company's continued growth momentum."
