Spartan Motors Announces 500,000 Share Stock Buyback

April 24, 2003

CHARLOTTE, Mich., April 24 /PRNewswire-FirstCall/ -- Spartan Motors, Inc. (Nasdaq: SPAR) today announced its board of directors has authorized the repurchase of up to 500,000 shares, or approximately 4 percent, of the Company's outstanding common stock.

The Charlotte, Mich.-based manufacturer of custom motorhome chassis, fire truck chassis and emergency-rescue vehicles said the buyback authorization allows the Company to purchase common stock in open-market transactions over the next 12 months. Spartan Motors reported 12,129,477 weighted average common shares issued and outstanding as of February 18, 2003.

"When we look at the long-term strength of our core markets, the operating improvements we made in 2002 and our 2003 strategic initiatives, the board and senior management team believe Spartan Motors common stock is a wise investment," said John Szykiel, chief executive officer. "We believe our stock remains undervalued despite the record earnings, improved operations and strong cash flow generated in 2002, as well as the prospects for the future."
