## **Spartan Motors Announces Dividend**

October 29, 2013

CHARLOTTE, Mich., Oct. 29, 2013 /PRNewswire/ -- Spartan Motors, Inc. (NASDAQ: SPAR) today announced that its Board of Directors has declared a cash dividend of \$0.05 per share of common stock.

The Charlotte, Mich.-based manufacturer of custom chassis, emergency response and delivery and service vehicles reported its semi-annual dividend will be payable on December 19, 2013 to shareholders of record at the close of business on November 14, 2013.

"Spartan has paid a cash dividend to shareholders since 1993, a record we are proud to continue. Declaring this dividend demonstrates our Board's confidence in Spartan's improving operating performance and outlook for growth in coming years," said John Szykiel, Chief Executive Officer of Spartan Motors. "The dividend illustrates our commitment to enhancing shareholder value and providing shareholders a consistent return on their investment in Spartan Motors."

### **About Spartan Motors**

Spartan Motors, Inc. designs, engineers and manufactures specialty chassis, specialty vehicles, truck bodies and aftermarket parts for the recreational vehicle (RV,) emergency-response, defense, government services, delivery and service markets. The Company's brand names – Spartan™, Spartan Chassis™, Spartan ERV™ and Utilimaster® - are known for quality, performance, service and first-to-market innovation. The Company employs approximately 1,700 at facilities in Michigan, Pennsylvania, South Dakota, Indiana and Texas. Spartan reported sales of \$471 million in 2012 and is focused on becoming a global leader in the design, engineering and manufacture of specialty vehicles and chassis. This release contains several forward-looking statements that are not historical facts, including statements concerning our business, strategic position, financial strength, future plans, objectives, and the performance of our products. These statements can be identified by words such as "believe," "expect," "intend," "potential," "future," "may," "will," "should," and similar expressions regarding future expectations. These forward-looking statements involve various known and unknown risks, uncertainties, and assumptions that are difficult to predict with regard to timing, extent, and likelihood. Therefore, actual performance and results may materially differ from what may be expressed or forecasted in such forward-looking statements. Factors that could contribute to these differences include operational and other complications that may arise affecting the implementation of our plans and business objectives; continued pressures caused by economic conditions and the pace and extent of the economic recovery; challenges that may arise in connection with the integration of new businesses or assets we acquire or the disposition of assets; restructuring of our operations, and/or our expansion into new geographic markets; issues unique to government contracting, such as competitive bidding processes, qualification requirements, and delays or changes in funding; disruptions within our dealer network; changes in our relationships with major customers, suppliers, or other business partners, including Isuzu; changes in the demand or supply of products within our markets or raw materials needed to manufacture those products; and changes in laws and regulations affecting our business. Other factors that could affect outcomes are set forth in our Annual Report on Form 10-K and other filings we make with the Securities and Exchange Commission (SEC), which are available at [www.sec.gov](http://www.sec.gov) or our website. All forward-looking statements in this release are qualified by this paragraph. Investors should not place undue reliance on forward-looking statements as a prediction of actual results. We undertake no obligation to publicly update or revise any forward-looking statements in this release, whether as a result of new information, future events, or otherwise.
