Spartan Motors Authorizes Stock Repurchase

April 28, 2005

CHARLOTTE, Mich., April 28 /PRNewswire-FirstCall/ -- Spartan Motors, Inc. (Nasdaq: SPAR) today announced it has received authorization from its board of directors to repurchase up to 500,000 shares, or approximately 4 percent of its outstanding common stock.

The Charlotte, Mich.-based manufacturer of custom motorhome chassis, fire truck chassis and emergency-rescue vehicles reported its board of directors approved the buyback at a meeting yesterday. Spartan Motors said the buyback authorization allows the Company to purchase common stock in open-market transactions over the next 12 months. Spartan Motors reported 12,460,489 shares of common stock outstanding as of April 1, 2005.

"This decision reflects the board's confidence in the underlying value of Spartan Motors," said John Sztykiel, president and CEO of Spartan Motors. "We believe our increased backlog and operational improvements, as seen in our first quarter 2005 results, indicate a higher value for Spartan than currently reflected in our share price."
