Board Initiates CEO Succession Process; Daryl Adams to Step Down as President and CEO Once Successor is Appointed

NOVI, Mich.--(BUSINESS WIRE)--Jun. 12, 2023-- The Shyft Group, Inc. (NASDAQ: SHYF) (“Shyft” or “the Company”), the North American leader in specialty vehicle manufacturing, assembly, and upfit for the commercial, retail, and service specialty vehicle markets, today announced that its Board of Directors and Daryl Adams have initiated a succession process whereby Mr. Adams will transition from the role of President and CEO once a successor has been appointed. At that time, he will also resign from the Board of Directors and will remain with the Company in an advisory capacity for six months to help ensure a smooth transition.

“On behalf of the Board and shareholders, I want to thank Daryl for his many contributions and dedicated service to Shyft over the last nine years,” said James Sharman, Chair of the Shyft Board. “Daryl has led Shyft through an ambitious business transformation into an industrial growth company with strong prospects. Most recently, we have advanced our differentiated commercial EV, Blue Arc™, which is expected to be a significant growth driver for the Company, and we are on track to begin production in the second half of the year. The Board believes now is the right time to undertake a search for Daryl’s successor to lead the next phase of our transformation and growth strategy.”

“Serving as the CEO of Shyft has been the highlight of my professional career,” said Mr. Adams. “Today, Shyft is well positioned in the attractive last-mile delivery and infrastructure end-markets with a growing roster of innovative brands, including a cutting-edge EV platform. While the near-term market and macroeconomic environment remain dynamic, I am as confident as ever in our team’s ability to deliver for customers and drive long-term value for shareholders. I look forward to supporting the Company through a smooth leadership transition.”

The Shyft Group Board of Directors is working with a leading executive search firm to identify the Company’s next CEO.
