**STRONGER
TOGETHER.**

AT-A-GLANCE

Royal Truck Body, formed in 1971, is headquartered in Carson, CA, and additionally operates five other facilities in California, Arizona, and Texas. The company operates OEM dealer bailment pools with General Motors, Ford, and RAM. They also build on International, Isuzu, and Hino stripped chassis. The company manufactures, assembles, installs, services, and provides accessory parts for commercial work truck beds, boxes, racking, and compartments. Consumers of these utility vehicles include plumbers, electricians, carpenters, landscapers, and other types of professional contractors.
